Is your group planning to visit the museum before or after this program? ☐ Yes ☐ No
Are you applying for scholarship funds by submitting a Scholarship Application? ☐ Yes ☐ No
Do any students have special needs of which the outreach educator should be aware?

Classroom Program Options: All programs include hands-on exploration of specimens or artifacts from
the Museum and are aligned with National and Oregon State Standards. Classroom programs are 45
minutes (not counting set up and take down time) and can accommodate a maximum of 35 students.

☐ Exploring Fossils (Grades 1-3) – What makes a fossil a fossil and are they all made the same
way? Discover the different types of fossils by exploring and sorting real specimens.
☐ Animals of Ancient Oregon (Grades 1-5) – Meet some fascinating creatures that once lived in
Oregon, including the Saber-Tooth Cat, Mammoth, Dire Wolf, and Saber-Tooth Salmon.
☐ Investigating Artifacts (Grades 1-5) – What can artifacts tell us about how people lived in
Oregon’s different geographic regions thousands of years ago?

Cost: $50.00 per classroom program plus mileage outside of the Eugene/Springfield area ($0.575/mile).
Discounts are available for scheduling more than two programs at one location on the same day.
Additional travel expenses may apply when program schedule requires an overnight stay. Please make
checks payable to “MNCH”
