

Scavenger Hunt Directions and Map

Before Visiting:

- Read over the scavenger hunt, review the map, and walk the route
- Review the background information provided
- Divide students into groups of 5-10 with at least one chaperone per group

Optional: Have the students use a compass to help navigate their way through campus

During the Scavenger Hunt:

- Read walking directions to students
- Once the group reaches the site, read the clue aloud
- Use provided questions to help with the discussion
