

Crossword Puzzle Challenge

After visiting the museum, complete the puzzle with the words you learned.

Across

1. An object made or used by people in the past
2. A type of wood used on the Coast to make houses, canoes, and clothing.
3. The world's oldest shoes, on display at the museum, are made from the bark of this plant.
4. A story handed down from one generation to the next (two words).
5. A kind of fish caught and traded by people along the Columbia Plateau.

Down

1. A scientist who studies clues to the past.
6. A purple flower whose root was an important food source.
7. A tool used to launch spears or darts. It was used before the bow and arrow were invented.
8. The name of the mountain that blew up and collapsed to form Crater Lake.
9. The region of Oregon where people made houses of tule and willow. This area is sometimes called a high desert (two words).
