Paleo Puzzles

Paleontologists carefully excavate, or dig out, fossils. Sometimes, the fossils dug out include more than one animal. They must then sort the fossils and piece each animal back together, like a puzzle.

You'll need:

- Dinosaur coloring pages
- Crayons
- Scissors

What to do:

1. Color a dinosaur color page and add a background scene.
2. Turn the page over the use the guide to cut into the puzzle pieces.
3. Mix up the pieces and then put it back together.
4. For an extra challenge make two puzzles and mix up all the pieces!
