Student Response and Reflection

1) What issues do you think are making it hard for the Himba people to maintain their way of life?

2) In what ways do you believe modernity is influencing cultures?

3) Please list any examples, in addition to the Himba, of indigenous cultures who have lost power or influence as new cultures moved into their region.

Bonus Question) What indigenous cultural influences can you identify in the culture of mainstream America? (Think foods, style, technology, art, etc.)
